Child Development      Keyboarding

\*Not For Credit

Oregon City Schools works with the Superintendent, Director and Treasurer of the Eagle Learning Center. Oregon City Schools meets on a regular basis regarding ELC enrollment, audit reports, compliance with state requirements and monitoring the curriculum. They monitor test procedures and practices to ensure all students are tested appropriately and insure there is appropriate communication with students and parents.

OCS verifies that ELC has submitted all required reports, logs all communication with students and parents, and tracks the academic progress of students. We monitor the monthly district cash reconciliations and the board monitors the treasurer reports.
